## Camp gives every girl the chance to unleash her inner **G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™**

Research shows that **outdoor experiences promote creative reasoning, curiosity, self-awareness and problem-solving skills.** Skills that girls need to be successful in school, their careers, and life.

At camp, **girls are go-getters** as they take on new experiences. Some build their first campfires; others pick up a compass and a map for the first time; some become skilled archers, horseback riders, or paddle boarders!

**Campers are innovators**, coming together with new friends to create resourceful solutions and solve challenges as they explore the natural world.

**Camp gives girls a safe place to be risk-takers** every time they try something brand new, like building a rocket, steering a kayak, or cooking a meal over an open fire.

At camp, **girls become leaders.** The sky is the limit as each camper gains confidence and acquires new skills in a supportive, all-girl space.

## Make Camp a Reality for Every Girl *this Summer!*

We already know camp is where girls make memories and friendships that last a lifetime. But research shows that outdoor experiences also promote creative reasoning, curiosity, self-awareness and problem-solving skills.

**Girl Scouts of Western Washington never turns down any girl who wants to go to camp**, regardless of her economic status. Your donation will help send girls to camp and maintain our properties so that every girl can have a character-building summer of fun.

**Give the gift of camp! Help us ensure that every girl has the opportunity to lead like a G.I.R.L. this summer.**
